

MORE THAN 1,000 OF MSM EMPLOYEES TO RECEIVE VACCINATION THROUGH PIKAS

KUALA LUMPUR, JULY 27, 2021 – MSM Malaysia Holdings Berhad (MSM) is committed to ensure all of its employees including contractors are fully vaccinated, echoing the government call to expedite the immunisation towards reaching the herd immunity in curbing the spread of Covid-19. Currently, MSM vaccination programme will commence with over 200 of its employees within the Klang Valley, involving workforce from supply chain in Sungai Buloh as well as corporate headquarters in Kuala Lumpur.

All of the employees are scheduled to receive their vaccination dose today at the Malaysia International Trade and Exhibition Centre (MITEC) through the Public-Private Partnership Covid-19 Industry Immunisation Programme (PIKAS). At the same time, the leading sugar refiner of the iconic flagship brand “Gula Prai” will also continue its effort to secure nearly 800 vaccination appointment for employees at the refineries located in Prai, Penang and Tanjung Langsat, Johor.

MSM Group Chief Executive Officer, Syed Feizal Syed Mohammad said, “As one of the national essentials food providers, the health and safety of our employees remains our utmost priority especially during this pandemic as we continue to operate as usual by adhering to strict standard operating procedures (SOPs). The risk of infection reflected in the high number of Covid-19 cases linked to workplace clusters, require us to impose stringent preventive measures and request for a priority vaccination program in order to minimize operational disruption that could impact our sugar supply to the nation.”

“The accelerated roll-out of the vaccine by our government under the National Recovery Plan is expected to revive our socio-economic sectors towards recovery as employers now are able to secure vaccination appointment among their employees through various programs including PIKAS and Selangor Vaccination Programme (Selvax). Significantly, as a responsible employer, we play a vital role in helping the government to promote and encourage vaccination as well as ensuring our business and operations continue to comply with the SOPs as enforced by the authorities,” he added.

MSM has established a robust mitigation and prevention strategies on Covid-19 in assessing the hazards and risk of exposure among employees, underpinned by the necessary safety protocols and appropriate working guidelines to protect employees and ensure healthy workplace environment. The proactive measures include mass screening and staggered meal break at the operational premises, daily workplace sanitization and disinfection, self-health declaration, reducing workplace density, contact tracing and mandatory SWAB test for newly join employees and contract workers.
