## Khairil is now MSM Msia CEO

By **NST Business** - April 23, 2019 @ 8:26pm

KUALA LUMPUR: MSM Malaysia Holdings Bhd, the country's largest refined sugar producer, has appointed its executive director Datuk Khairil Anuar Aziz as group chief executive officer (CEO) effective immediately.

Mohd Shaffie Said will cease to be the acting CEO and will also assume the role of MSM group chief operating officer (COO).

He was appointed the acting CEO on January 22, 2018, after the position was left vacant following the sudden departure of Datuk Mohamad Amri Sahari @ Khuzari as president and group CEO on January 17 last year.

Mohamad Amri had claimed that he was constructively dismissed.

Mohd Shaffie was previously chief technical officer of MSM and project director of MSM Sugar Refinery (Johor) Sdn Bhd.

In a filing with Bursa Malaysia today, MSM said this was in line with the group's recent organisational restructuring exercise, which involves streamlining certain key position with the intention to strengthen governance of the group.

Prior to this, Khairil Anuar, 53, was COO of sugar sector at FGV Holdings Bhd since last year.

He is also a non-executive director of Pelaburan Mara Bhd and Sinergi Perdana Sdn Bhd.
