KUALA LUMPUR (May 31): Based on corporate announcements and news flow today, companies that will be in focus on Thursday (June 1) may include the following: MRCB, AmBank, RHB, Mah Sing, Sime Darby, FGV, MSM, Bumi Armada, Alliance, KNM, Iris, Muhibbah Engineering, KPS and Destini.

MSM Malaysia Holdings Bhd registered a net loss of RM34.62 million or 4.93 sen per share for the first quarter ended March 31, 2017 (1QFY17) compared with a net profit of RM59.34 million or 8.44 sen per share a year ago.

The company attributed the net loss to higher raw material costs and the weakened ringgit.

Its quarterly revenue, however, rose 17.32% to RM648.97 million from RM553.16 million in 1QFY16 on the back of improved selling price and higher volume of refined sugar for the domestic market segment.
