Brent crude was 0.87% lower to US\$51.39 per barrel at 3.41pm.

MSM posts RM34.6m Q1 net loss: MSM Malaysia Holdings Bhd reported a net loss of RM34.62mil in the first quarter, compared with a net profit of RM59.34mil a year ago, due to higher raw material costs and weakening ringgit. Revenue increased 17.32% to RM648.97mil on improved selling price and higher volume of refined sugar sold in the domestic market. — StarBiz
