Coarse sugar up by 11 sen per kg

PUTRAJAYA: The price of coarse sugar is now at RM2.95 per kg. This rate took effect from Wednesday.

The new price is due to a significant hike in the price of raw sugar globally, said the Domestic Trade, Consumerism and Cooperatives Ministry.

Prior to this, sugar was sold at RM2.84 per kg.

"Despite the increase, the Government is still controlling the price to ensure it is still low compared with other countries," the ministry said.
